

On Tuesday, the 4th of October 2016, during a meeting-cooperation which took place between the National Technical University of Athens and the National Defence Fund, the dean of the NTUA Dr. Ioannis Golias visited the National Defence Fund accompanied by the Deputy Dean of Infrastructures Dr. Evaggelos I. Sapountzakis.

During the administered meeting, issues of mutual interest were discussed, and there were also elements presented regarding the Vision, the Mission and the Perspectives of the NDF, as a modern, dynamic and effective authority of the Ministry of National Defence. Furthermore, the management and the development of real estates of the Army, but also the real estates of the Special Forces were discussed.

During the conversations, the issue of a further cooperation between the National Defence Fund and the National Technical University of Athens was discussed. Finally, this cooperation was under the assistance framework which includes complex regeneration studies and energy upgrades of the National Defence Fund's real estates.
