

In order to inform the staff of the Hellenic Army about the work and objectives of the National Defence Fund (NDF), a series of visits – lectures occurred by the Managing Director of the National Defence Fund Major General Mr. Georgios Statias, accompanied by qualified Staff Officers, in the headquarters of the Army Formations across the Greek Territory.

In these lectures the strategy and the overall reforming program of the NDF was presented, which aimed to the optimal utilization of the available real estate, based on the well-established principle of contributory benefits for NDF.

Highlights from these visits are shown in the following photos.

11-12 Jun 2013 - D Army Corps
