

On Friday, the 16th of May 2014, the Army Inspector General, Lieutenant General Mr. Anastasios Manolas visited National Defence Fund (NDF) in which he was informed about NDF's mission, strategy and long-term goals as it is responsible for the administration and rational utilization of the Greek Army's real estate.

The visit was concluded with the Army Inspector General suggesting appropriate directions, suggestions as well as wishes towards NDF's political and military staff.
