

On Wednesday, 10<sup>th</sup> of July 2014, the [Chief of the Hellenic Army General Staff](#) , Lieutenant General Mr. Christos Manolas, visited the National Defense Fund (NDF) in a common collaboration contact. During the visit he was informed about the NDF's mission, strategy and goals as the Fund is responsible for the administration and rational utilization of the Greek General Staff's as well as the Ministry of National Defense real estate.

The visit concluded with a brief speech by the Chief in which he stated the respective guidelines, exhortations and encouragements towards NDF's political and military staff for the successful continuation and completion of NDF's ultimate vision and goal; one that includes a complete reform of the Fund into a capable, pioneering and flexible Body that will administrate and manage all of the Ministry of National Defense real estate.
